

2019-2020 EL Professional Development Opportunities Schedule

Workshop	Date	Location	Target Audience	Description
eWorkshops via WIDA Secure Portal	September 1, 2019 – August, 2020	eWorkshops	School leaders, general classroom, and ESL teachers will be introduced to strategies and resources they can put to use in their instruction right away.	<p><u>WIDA Professional Learning Option #1: Self-paced, on-demand eWorkshops</u> Educators will have access to six, self-paced, on-demand eWorkshops beginning Sept. 1, 2019. Professionally developed by WIDA, a trusted name in the field of multilingual learner education and assessment, these eWorkshops cover a range of topics intended for a variety of audiences. We’re excited to offer this opportunity for several reasons:</p> <p>Unlimited enrollment – With no limit on the number of participants, these eWorkshops are ideal for a district looking for high quality professional development for their entire staff.</p> <p>Easy to access – Log in at any time, from any place. No need to spend extra money and time on travel. WIDA’s eWorkshops are a great option for rural districts. A WIDA account is needed to log in. If an educator doesn’t have an account already, they can contact their district assessment coordinator.</p> <p>Flexibility – WIDA’s eWorkshops can be taken individually at an educator’s own pace or utilized by a larger group or professional learning community.</p> <p>Workshop Titles include:</p> <ul style="list-style-type: none"> • Foundational Concepts • Doing and Talking STEM • WIDA Writing Rubric Series • Leading for Equity: Classroom Walkthrough • Classroom Educators: Engaging Newcomer Multilingual Learners • Developing Language for Learning in Mathematics
