

Teaching Families WHY Attendance Matters

Why Attendance Matters

Many parents are
not aware of how
quickly absences
add up to
academic trouble.

Chronic Absence
18 or more days

Warning Signs
10 - 17 days

Satisfactory
9 or fewer
absences

Excused and unexcused absences result in too much time lost in the classroom.

Many children miss 10% of a school year - that is almost a month per school year!

Why Attendance Matters

Parents underestimate the number of year-end absences. 60% of parents said their child was absent an average of 2+ days a month, but not 10+ days a year.

If a child is absent an averages of 2+ days a month, then they are absent far more than 10+ days a year.

One in 10
kindergarten and
1st grade
students
nationally are
chronically absent.

“Attendance doesn’t really until
high school”

Why Attendance Matters

Only 17% of students considered chronically absent in kindergarten and 1st grade were reading proficiently in the 3rd grade.

Compared to 64% of those students with good attendance.

Why Attendance Matters

Over 2/3 of the
U.S. fourth grade
students are **NOT**
reading at grade
level!

“Absences are ok if I say so....
vacation, rest, reward for good behavior,
appointments, family time, bullying,
sickness, help around the house.....”

Why Attendance Matters

By 6th grade
chronic
absenteeism is a
leading indicator
that a student
will drop out of
high school.

A student who misses 10 days is 25% less likely to enroll in college.

Why Attendance Matters

Students who
attend school
regularly are more
likely to graduate
and find good jobs.

A high school
graduate makes
\$1 million more
than a dropout
over a lifetime.

ATTEND TODAY, ACHIEVE TOMORROW

Rectangular Snip

GOOD SCHOOL ATTENDANCE MEANS...

ELEMENTARY STUDENTS

read well by the
end of third grade

MIDDLE SCHOOLERS

pass important
courses

HIGH SCHOOLERS

stay on track for
graduation

COLLEGE STUDENTS

earn their degrees

WORKERS

succeed in
their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

Advancing Student Success By Reducing Chronic Absence

www.attendanceworks.org

Factors that contribute to Chronic Absence

Myths

- ~Absences are only a problem if they are unexcused.
- ~Sporadic versus consecutive absences aren't a problem
- ~Attendance only matters in the older grades.

Barriers

- ~Lack of access to health or dental care
- ~Poor transportation
- ~Trauma
- ~No safe path to school
- ~Homelessness

Aversion

- ~ Child struggling academically or socially
- ~Bullying
- ~Ineffective school discipline
- ~Parents had negative school experience
- ~Undiagnosed disability.

Disengagement

- ~Lack of engaging and relevant instruction
- ~No meaningful relationships with adults in school
- ~Vulnerable to being with peers out of school vs. in school
- ~Poor school climate

The good news is -
that students can
reverse their
academic
performance
if they improve
their attendance

Tools for Attendance Awareness month

Attendance Awareness Toolkit

Ways to Emphasize Attendance from Day One

- Talk with parents to share the value of good attendance and let them know you are there to help.
- Send home handouts with information and tips.
- Make time at parent event to demonstrate the importance of attendance.
- Celebrate Attendance Awareness Month
- Use your Parent-Teacher Conferences to talk about attendance

Teaching Attendance

A toolkit to help teachers

Classroom teachers already know how missing too much school can put a child's academic future at risk. Chronic absence (missing 10% or more of school in excused or unexcused absences) can be a significant challenge, starting as early as preschool.

Research has shown that children who are chronically absent in kindergarten and first grade are much less likely to read well by the end of third grade, and absences throughout elementary school are associated with poor attendance and lower academic performance in later grades. By middle and high school, chronic absence is a proven early warning sign that a student is at risk of dropping out.

Attendance Works is pleased to offer a free Teacher Toolkit offering tips for how teachers can:

- ✓ Emphasize the importance of attendance starting on Day 1
- ✓ Leverage parent-teacher conferences to deal with absenteeism
- ✓ Build a culture of attendance in classrooms
