

Family Friendly Walk Through

Description of technical assistance- A trained facilitator will guide a school in a walk through. The walk through consists of surveys, on site visit and a follow up report.

Anticipated outcome- Research shows that when a schools and parents work together to support the education of a child, not only does the student perform better in school, but all throughout life! The best way to nurture a strong relationship between school and family is to create a friendly and welcoming school environment for the families of the students.

Who would benefit- Schools looking to increase their parent engagement.

How is this available- Schools request a Family Friendly Walk Through from SDDOE Title Programs or through communication with their School Success Facilitator.

Time- The school will administer a survey to staff and families and set aside ½ a day for the physical tour and for a meeting to discuss the results of the walk through.
